

Rivers Edge Via de Cristo Team Application
Weekend # _____ Dates _____

Do you remember the warmth of Christian fellowship you experienced on your Via de Cristo? Have you ever thought about reliving that wonderful experience by serving Christ and your brothers and sisters on another weekend? Certainly, not everyone who attends a Via de Cristo wants to serve on a weekend, and serving on a weekend is not a major objective of the Via de Cristo movement. The primary objective of a Via de Cristo weekend is to enhance your fourth day experience by helping you develop a closer relationship with Christ by bringing Him into your environment in as many ways as possible.

So, if you ever considered enhancing your fourth day by serving on a Via de Cristo team, it is recommended that you:

- Pray about serving on a team. Ask the Lord if He wants to use you in this way
- Talk with someone who has been on a team about the commitment, time, and effort required.
- Discuss your desire to serve on a team with your pastor or spiritual director.

If after prayerful consideration you feel you should serve on a team, please fill out this application and mail it or e-mail it directly to the rector (address at bottom of application). You are applying to serve on the weekend stated at the top of this application and will need to reapply for future weekends.
