The facility is about three years old, state of the art. The building is in the shape of a cross, very cool. Completely handicap accessible, YEAH! All God's Children Camp is working on their website; I'll forward the address when available. Right now, mark the change of date and place on your calendar!

Carry on "The Attitude of Gratitude"

Via de Cristo's purpose and focus remains the same as that of the Cursillos of the 1940s in Spain: To bring every one who has participated into a closer, more meaningful, personal relationship with our brother Jesus Christ and for each one to bear witness to Christ in his/her daily environments.

Servanthood is the mark of a leader. Jesus prepared his disciples by washing their feet with these words, "You call me your teacher and Lord, and you should, because that is who I am. And if your Lord and teacher has washed your feet, you should do the same for each other" (John 13:13-14). Jesus, "though He was in the form of God, did not count equality with God a thing to be grasped, but emptied Himself, taking the form of *servant*" (Philippians 2:6-7). We can express that Jesus is Lord of our lives by the way in which we serve others.

When we have "The Attitude of Gratitude," we display leadership and loving concern – not dominion or glory-seeking. Why do each of us serve? For Jesus' sake! Pick up someone's plate or someone's spirit...for Jesus' sake. Be liberal with your time, energy, and ideas...for Jesus' sake. Serve one another...for Jesus' sake.
