## Lay Director's Message

My Dear Friends,

In just a couple of months, I will be leaving the position of Community Lay Director. It has been a humbling and powerful experience and I thank you for giving me this opportunity to serve our community and our Lord.

Your prayers, support, and encouragement have made my journey easier. It has been a true joy and a blessing from God to be given the opportunity to serve Him and you.

Allow me to share some of the special blessings I have received while serving as Lay Director. Every time I welcomed the new weekenders into our REVDC Community during the closing worship service, I saw God's glory in their eyes. That was an exciting and beautiful scene. I have seen God answer prayer and change lives right in my presence. (Why should He choose to allow me to see His work first hand?) I came to realize that God is alive and working in the everyday lives of His people in miraculous ways.

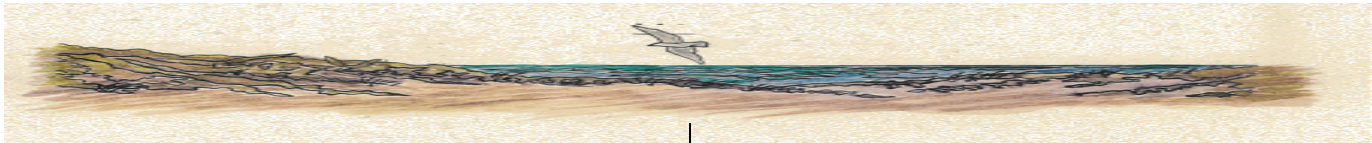

While serving as your Community Lay Director, I was taught that God answers prayers in His way and time and not mine. Over and over again, I say the hand of God be right on time, but seldom early. God taught me to appreciate all of His creation and to realize that He wants all of His creation to serve and praise Him.

I would encourage each of you to sign up for weekend prayer vigils, to hold our community, and especially our Secretariat, in your fervent prayers, to be there for the weekend Serenades, the weekend Closings, our Ultreyas, and to always remember "Christ is counting on you." I look forward to continuing to serve God right beside you in our REVDC Community.

God loves you and so do I,

Bob Wardenburg
